## VSBA Conference on Education

**JULY 23, 2024 | HILTON RICHMOND  
HOTEL AND SPA SHORT PUMP**

Join us for the 39th annual VSBA Conference on Education! We're kicking things off with none other than the respected founder and CEO of G'Cubed, Inc., Mr. Vernon Green Jr. Mr. Green will be speaking on the topic and importance of cybersecurity. Brace yourselves for an inspiring presentation that will set the tone for an enriching conference experience.

But there's so much more in store! Dive into a powerful day of knowledge as attendees travel table to table for different mini-workshops showcasing the best practices that have propelled Virginia's school divisions to success. From innovative teaching methods to effective administrative strategies, there's something for everyone to glean from these engaging sessions.

Following the workshops, school board members will have the opportunity to further explore key topics and network with industry experts and colleagues. Choose to visit with a few of VSBA's Business Affiliates, and discover new tools and resources, or collaborate on solutions to common challenges facing educators today with your colleagues.

Following the networking break, attendees will be treated to lunch, a school division performance, and award presentations. The presentation of the 2024 Excellence in Workforce Readiness Awards, 2024 Food For Thought Awards, and the 2024 Student Essay Contest Award will be named while lunch concludes.

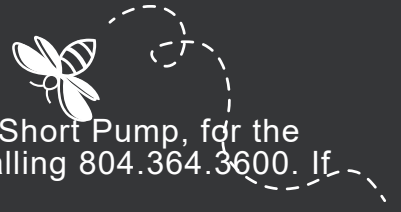

Don't miss out on the chance to be apart of this great event.

Get ready to connect, collaborate, and conquer as we chart the course for a brighter future together!
