Dear VSBA Members,

The Virginia School Boards Association (VSBA) is proud to continue our tradition of celebrating the exceptional programs and initiatives shaping public education through the VSBA Showcases for Success. This initiative highlights the transformative power of innovation, collaboration, and dedication that positively impacts our students, educators, and communities. This year, we are excited to introduce the **2025 VSBA Showcasing Innovation Award**, offered **in conjunction with the VSBA Showcases for Success initiative**. This **optional** award provides an opportunity to recognize school divisions that exemplify innovation, measurable impact, and meaningful collaboration. Submissions for the Showcasing Innovation Award must receive **majority approval from the school board** prior to submission. We hope these efforts not only celebrate your achievements but also provide a model for others striving for excellence in education. About the VSBA Showcases for Success

WHAT IS THE VSBA SHOWCASES FOR SUCCESS?

As a means of encouraging community awareness and positive press coverage of public education, the VSBA invites school divisions to recommend programs and initiatives that serve as appropriate “Showcases for Success” in public education. Last year, 92 programs were profiled and shared with journalists, school board members, superintendents, legislators, and top state officials. This initiative generated statewide press coverage and proved to be an effective tool for disarming critics of public education. We are now compiling a new list for 2025, and these successful programs will be showcased on the VSBA website throughout the year.
